

# Leadership in discussion groups Dataset 2015

Please return the form completed and signed for acceptance.

Please describe in Annex A the aim and the purposes of the USER's research.

The acceptance of the following contract conditions is a preliminary condition in order to download and use the Leadership in discussion groups Dataset 2015.

<b>USER:</b>	
Title	Prof/Dr/Mr/Mrs/Miss/Ms/
Name	
Organization/University	
Department	
Supervisor (if available)	
Postal Address	
Telephone Number	
Email Address	
Research purposes of the USER (why you would like to get this dataset)	

IIT PAVIS, Manager of the 'Leadership in discussion groups' Dataset resultant from the project sponsored by Università di Torino, and the USER, requested to use those data and now, therefore, IIT and the USER agree as follows:

**1.** IIT - hereby provides the Leadership in discussion groups Dataset, hereto the "Dataset", and grants a non-exclusive and non-transferable data sharing to the USER. This Agreement shall not transfer any title or ownership rights in the Dataset, which shall at all times remain with IIT.

The data sharing is granted on the condition that the Dataset will be used solely for research purposes of the USER's project, as described in Annex A, with the exclusion of any other use.

**2.** The USER may use the Dataset only on computers that it owns or leases.

If the data sharing is terminated for any reason whatsoever, the USER will destroy its copies of the Dataset and will so certify to IIT that it has done so, or return such copies to IIT.

**3.** The USER agrees that the Dataset shall be held in confidence and is being provided by IIT for the exclusive use of the USER. The USER will be responsible for maintaining and securing on behalf of IIT the Dataset in its possession or under its control. The USER:

- will protect the Dataset in the same manner that it protects its own confidential information;

- will permit access to the Dataset only to its authorized employees designated by the USER to use and maintain the Dataset.
- will not duplicate all or any part of the Dataset except for the research purpose of this Agreement;
- will not remove or destroy any proprietary notice on the Dataset or related materials.

Any termination of this Agreement shall not terminate USER's obligations of confidentiality under this paragraph 3.

**4.** IIT disclaims any responsibility for the accuracy or correctness of the Dataset or for its use or application by the USER.

In no event IIT or its trustees, officers, agents or employees will be liable to the USER or to any other party, for any loss or damages, consequential or otherwise, including, but not limited to time, money, or good will, arising from the use of operation of the Dataset by the USER.

The USER shall be liable for claims, damages or suits arising from the acts, omissions or negligence of its officers, agents and employees and IIT is not liable for any damage resulting from receiving, installing or using the Dataset or any other files provided by IIT in this context. The Dataset is handed over without any guarantee.

**6.** In order to protect the rights and privacy of the participants who agreed to be recorded as part of this Dataset, the following must be strictly observed by the USER:

- It is prohibited to attempt to identify the participants in the Dataset;
- It is prohibited to reference, share, or refer to any unpublished scientific content of the talks included in the Dataset;
- Only authorized employees designated by the USER will view the videos or listen to the audio (i.e., this data is not to be shared with visitors, at conferences, etc.);
- It is prohibited without the expressed written consent of IIT handing over the Dataset or any other files which have been provided by IIT or sharing information derived from it (labeled files, annotations, etc.) by the USER to any third party;
- Reasonable steps must be taken to secure and protect the data.

**7. The USER declares that the communication of the identifying data of the participants to the research, included in the Dataset, is strictly necessary for the aim of the USER's own research.**

**8.** IIT may terminate this Agreement upon 30 days prior written notification to the USER.

**9.** This Agreement may not be assigned, provided or transferred by the USER to any other party without the prior written consent of IIT.

**10.** This Agreement shall be governed by Italian law applicable and according to the Italian Code of conduct and professional practice applying to processing of personal data for statistical and scientific purposes of the June 16, 2004. This Agreement may not be changed or terminated orally.

**11.** For publications, technical report, thesis and talks concerning directly or indirectly the use of the Dataset, the USER must mention IIT and Università di Torino with the following quote:

C. Beyan, N. Carissimi, S. Vascon, M. Bustreo, F. Capozzi, A. Pierro, C. Becchio, and V. Murino.  
*Detecting emergent leader in a meeting environment using nonverbal visual features only.*
